

CARLO COLUCCI

boys training jacket (Sweat) with raglan sleeves

The right size for you!*

Total length

Place the measuring tape at the highest point of your child's shoulder and measure up the given total length for your child's size.

Chest measurement

Run the measuring tape horizontally under your child's armpits and over the widest part of the chest.

Sleeve length

Place the tape measure at the base of your child's neck and measure from there the given sleeve length for your child's size approx. to the top center of your back hand.
