

## Kids pullover (sweat and knit)

The right size for you!\*

## **Total length**

Place the measuring tape at the highest point of your child's shoulder and measure up the given total length for your child's size.

## **Chest measurement**

Run the measuring tape horizontally under your child's armpits and over the widest part of the chest.

## Sleeve lenght

Put the measuring tape at the furthest point of your child's shoulder and measure from there approx. to the top center of your child's back hand.
